

Agenda

Director's Report – Lauren will get/give their report

Show shirts will have artwork by Sept. 16, order students & adults separately.

4 Charter buses will be full with just those people “required” to make the event happen. I will contact people on this list to see if any of them plan to drive, thereby freeing up some seats. Any available seats will be sold through a lottery (random drawing). If a group of parents would like to contact Star Shuttles about acquiring another bus they may do so. I will send emails asking about interest, but a lead person must collect money, reserve bus, etc. Ticket prices have not yet been determined.
