# AUCTION GUIDELINES

---

**Important: All auction winnings must be paid for tonight. If you need to leave before the auction ends, please use the Express Pay process to pay in advance.**

**See the next page for details about Express Pay.**

---

- 1) Bidding starts at 5:30 p.m. and will end at 7:30 p.m. Students must have parental permission to bid on items.
- 2) Most items have a Minimum Starting Bid amount, which is stated on the Bid Form. The minimum bid and increments are tied to the value of the item, and are set by the donor or the Band Boosters. You may start bidding at or above the minimum.
- 3) Unless otherwise stated on the Bid Form, every item has a Minimum Bid Increment of \$1.00. A bid must go up by at least the minimum increment amount, or it will be disqualified.
- 4) At the end of the Silent Auction, here is what happens:
  - a. **7:30 pm**: Bidding ends. Auction Check-out Workers will collect each Bid Form and leave a copy on the Auction table. Check-out Workers will begin to alphabetize forms and prepare for check-out. Table Attendants will be stationed at the auction tables.
  - b. **7:40 pm**: You may check the Bid Forms on the auction tables to see if you won the item you were bidding on. (Many of you will probably already know!)

If you signed up for Express Check-Out, just show the Table Attendant your Express Check-out Card; then, take your items and head home!

- c. **7:50 pm**: Regular auction check-out begins! **Please pay for your items before picking them up from the auction tables.** Five payment check-out lines have been setup and it's all based on the first letter of your last name:

LINE #1: A – C   LINE #2: D – H   LINE #3: I – M   LINE #4: N – R   LINE #5: S – Z

Find your check-out line and prepare to make payment by **cash, check, or credit card**. You will receive an itemized receipt listing each item you have won. Once you have your receipt, head for the auction tables to claim your winnings. Show your receipt to the auction table Attendants in order to pick-up your items.

- 5) **All Auction winnings must be paid for in full this evening. If you are leaving early tonight, please use Express Pay.** (Information about Express Pay is on the following page.)
  - 6) If you use Express Pay and are unable to pick up your winnings tonight, your **items can be released to another adult, with your permission**. Simply provide written permission on the back of your Express Pay card and give your card to the person you have authorized to pick-up your winnings.
  - 7) For items not claimed tonight, the winning bidder will be notified this weekend and is responsible for coordinating pickup of his/her items.
- 

**If you have any post-auction questions, please contact Lauren Neugebauer,**
