

Dripping Springs Tiger Band Boosters Membership Form

The Dripping Springs Band program is among the most accomplished and recognized programs in the State of Texas due to the hard work, dedication and talent of outstanding students and teachers. But they can't do it alone. The Dripping Springs Band Boosters undertake a significant number of initiatives to help the Dripping Springs Band programs deliver the best possible music education and experience, from providing funding for extra band techs, lesson scholarships and extra equipment, to supplying volunteers for games, contests and events. The Boosters help the entire band program, both at the middle school and high school level.

Though every band parent is automatically a member of the Dripping Springs Band Boosters by virtue of their child's participation in the program, funding the activities of the DSBB is critical to helping our students reach their maximum potential on the field and in the concert hall. Won't you please help us continue to provide a superior band experience for all our kids with a tax-deductible contribution today? Booster memberships are also a great way for extended family, friends and/or neighbors who love the Tiger Band to show their support!
